**Michigan Promise Scholarship** – Beginning with the class of 2007 the Michigan Promise scholarship replaced the Michigan Merit Award. All students who take the state assessment test (MEAP for the class of 2007 and Michigan Merit Exam [MME] for the class of 2008 and beyond) have the opportunity to receive up to \$4,000 if they meet all eligibility requirements. Students who receive qualifying scores (Level 2 or above) in each of the required components (mathematics, reading, science, and writing) are eligible to receive up to half of their scholarship in the first two years (in installments of \$1,000 in the first year and \$1,000 in the second year of enrollment).

**Michigan Merit Award 2000 – 2006** – Qualifying students were eligible for up to \$3,000 to be used at any approved postsecondary educational institution. All students who took the MEAP High School Tests and received qualifying scores (Level 2 or above) in each of the required components (mathematics, reading, science, and writing) were eligible for the award. For the Classes of 2005 and 2006, students were eligible for an additional \$250, \$375 or \$500 based on their performance on the middle school MEAP tests. Unlike many other scholarship programs for postsecondary education, the Michigan Merit Award was based solely on academic achievement. The Class of 2000 was the first eligible graduating class.

Scholarship awards are subject to approved and available funding.
